## AMERICAN LEGION

# To Undertake Building of Youth Detention Center

## Clues Lead To Arrest

Reported as charged with breaking and entering, Ralph Lanau, 29, of Bay St. Louis, was released on a \$1,000 bond on Feb. 5. Authorities said Lanau was working with a city road crew when he slipped away and entered a St. John Street residence where he reportedly took some coins and ransacked drawers throughout the house.

At its February 13 meeting, the American Legion Post No. 139, Bay St. Louis, unanimously approved to undertake the construction of a Hancock Memorial Youth Detention Center. The proposed building will cost an estimated \$18,500. The American Legion itself voted the first gift to the project with a \$1,000 check, presented to Mr. Andy Becker, Finance Chairman.

Other members of the Committee include Mr. John Wilkerson, Chairman, E. J. Nelson, John Rutherford, Buck Buehler, Lucien Kidd, Sheriff Fred Curet, and Rev. William J. Kelley, S.V.D., Chaplain and Juvenile Officer, Hancock County. The project is sanctioned by the Hancock County Board of Supervisors, Russell Elliott, President.

The Legion Committee met Sunday morning, February 9, with Sheriff Curet and the County Chaplain to discuss the possibility of the Legion undertaking the project. After hearing a report on conditions and statistics of juvenile cases, the Committee of Legionnaires made a tour of existing facilities where youth offenders are placed (County Jail) and became convinced of the dire necessity of such a new facility. The Committee presented the resolution to the membership of the Legion. Chairman John Wilkerson outlined the proposed project; Lucien Kidd gave the estimated cost; and Father Kelley gave a report on the present situation of juvenile cases. The plans were circulated to the membership along with a detailed report on last year's cases. The vote was unanimous. Thereupon the Legion voted the first gift of \$1,000.

The new facility, upon completion, will be presented by the American Legion to Hancock County. The new structure, a complete separate building,

## More On Stock Law

# Investigation of Voter Rolls Attempted on Heels of Appeal

Election Commissioner Paul Bouds' second attempt to purge the rolls before the March 1 stock law election was struck down by a motion for adjournment last Saturday. The motion came on the heels of a study by the Hancock County Election Commissioners of a petition for appeal seeking to nullify the Board of Supervisors' order for the election and avowing that 20 percent of the qualified electors had not signed the petition calling for the election.

Present at the Feb. 15 meeting were Election Commissioners George Ladner, Paul Bouds, Tommy Gonzales, and Alvin Genin. Absent: Roland Ladner.

The appeal has been filed by Bernie Wallace, Lucie Neale, C. H. Martin, and Randolph Seal

who accuse the Supervisors' Bill of Exceptions of entering an extra-legal order by stating its position, alleges that the language of the petitioners for the election is not in proper legal form, in that signers state that they live outside the "municipality," rather than "municipalities" (Bay St. Louis and Waveland); that the petition does not contain the actual true signatures of 20 percent of the qualified electors of Hancock County living outside of the municipalities located within the County; that one or more Election Commissioners signed the petition and did not recuse themselves from the task of canvassing the petition, as assigned to the Election Commission by the Board of Supervisors; that adjudication as to the sufficiency of the petition was made by the Election Commissioners, rather than by the Board of Supervisors which, according to the appeal, made no independent investigation or finding of its own; that the Minutes of the Board of Supervisors of the January, 1969, were never signed, and that the petition was therefore never legally accepted by the Board of Supervisors.

Filed by appellants' attorneys, Nap L. Casabry II, and Blodell Adams, the case will be heard on Feb. 28 at 10 a.m. in Biloxi by Circuit Judge Leslie B. Grant.

The petition was reported to contain 860 signatures, an excess of 53 over the 20 percent required.

Bouds voiced opposition to adjournment "for the reason we did not do what the law specifies we should do," referring to Section 3940 of the Mississippi Code of 1962 which

## Apartment Damaged by Fire

Arriving home about 6 p.m. last Thursday, The Sea Coast Echo's editor and publisher, Edward Hall, found firemen fighting fire in his apartment. Hall lived in the North Bay Apartments on Dumbare Ave., a complex recently purchased by David W. Smallwood.

The fire itself was rapidly brought under control by the Bay St. Louis Fire Dept. and Volunteers, with actual fire and smoke damage largely confined to Unit 1, the Hall apartment, where the fire broke out in the bathroom wall, according to Fire Chief Billie Carbonate. Other apartments in the 8-unit building suffered considerable water damage, however, said Carbonate, who added that total damage figures remain undetermined. Faulty wiring, according to Carbonate, is believed to have been the cause of the fire.

EARLY ARRIVAL of firemen saw North Bay Apartments on Dumbare Avenue in Bay St. Louis last Thursday. A fire starting from what was believed to be faulty wiring in bathroom the wall of one of the apartments soon spread through the roof of the complex.

will adjoin the existing jail building. The 41' x 29' building will contain two male juvenile cells, one female juvenile cell, a juvenile conference room, rest rooms, a radio and book room, storage space, and an engineering room. The new building will be centrally heated and air conditioned. The roof will be reinforced concrete, while the walls will consist of cement blocks with brick facing. The plans were drawn up by Donald Freeman, Bay St. Louis.

Finance Chairman Andy Becker states that all donations to the Hancock County Memorial Youth Detention Center are tax deductible since the Legion will present the County with the building. Any business organizations desiring to contribute to the project is asked to make the check payable to the Hancock County Memorial Youth Detention Center and mailed to Mr. Andy Becker, Finance Chairman, Hancock County Memorial Youth Detention Center, Bay St. Louis, Miss. 39520. The center will need a County-wide drive to collect funds and will make periodic reports to the citizens on the status of the project. It is hoped that the building will be up within a couple of months.

Last year there were a total of 184 juvenile recorded cases in Hancock County as compared with 23 in 1967 and 63 in 1968. A breakdown reveals 1 ten-year old, 7 twelve-year olds, 7 thirteen-year olds, 9 fourteen-year olds, 21 fifteen-year olds, 40 sixteen-year olds, and 47 seventeen-year olds. Five cases involved females, included in the 184 cases were 30 runaways, 19 larcenies, 8 cases of auto theft, 3 cases involving alcohol, 1 case possession of alcohol, 1 case drunk, or driving under the influence of alcohol, 3 juveniles carrying a concealed weapon, 2 disturbing the peace, 1 truancy, 1 case involving a juvenile's vehicle to

charges commissioners of election with the responsibility for revising registration and poll books. The law further says, said Bonds, that Commissioners "shall erase therefrom the names of all persons erroneously thereon, or who have died, removed, and no name shall be permitted to remain on the poll books except such as are duly qualified electors."

Section 2339 of the General Acts of the Regular Legislative Session 1968 stipulates that such revision of registration books shall be done 15 days before any special election.

Bonds declared that he had basis for removal of some 180 names from the poll books of Beat 3, some deceased, some moved and whereabouts unknown, some moved and now registered in two counties. Noting that he had only 30 days to uphold the law and fulfill his oath as a commissioner, Bonds said that he was "trying to make a job of it."

Alvin Genn, however, leading the opposition to the move, maintained reluctance to do so without the advice of the Board of Supervisors' attorney, Joseph Benvenuti, for interpretation of the law. Genn agreed that deceased persons should be removed from the books, but doubted the commissioners' authority to question the "intent" of persons removed from voting precincts. In an Attorney General's opinion, the matter of a person moving "with a bona

In 1968 there are 15 recorded cases: 3 counts of auto theft, 4 runaways, 1 breaking and entering, and traffic violations, one of which was driving in excess of 100 mph. For these reasons the Legion is concerned and asks the cooperation of everyone in making this facility a reality now.

## SSC Student Selected For Government Studies

STANFORD LADNER

Stanford Ladner, a senior at St. Stanislaus High School in Bay St. Louis, Mississippi, has been selected as one of 350 students to go to Washington, D. C., as a member of the Presidential Classroom for Young Americans. This trip is sponsored by Clement R. Bontemps Post 139 of the American Legion in Bay St. Louis, where Stan will join with students from all over the nation to attend the second class of a special course in government to begin March 1, 1969.

The Classroom is a new educational project planned to teach government operation to selected high school seniors for a concentrated seven day period. Students, selected by their principals, must have outstanding academic and personal school records to merit this designation.

The syllabus for the week includes academic instruction in the three branches of government: executive, legislative and judicial. Field trips will offer the opportunity to meet and talk with congressmen and senators as well as chiefs of government departments, agencies, city planners, ambassadors and national news media personnel. Although this is not a tour, students will have one afternoon during which they will be able to visit such national landmarks as Mount Vernon, the Arlington National Cemetery and other historic sites.

Stanford, the son of Mr. and Mrs. Cornelius J. Ladner, 404 DeMontuiz Avenue, Bay St. Louis, is in his eighth year at St. Stanislaus. Stan is also the grandson of Mrs. Octavia Ladner, 212 Ballentine St., Bay St. Louis. He is treasurer of the Brother Peter Basso Chapter of the National Honor Society and has been a member of the school band for three years.

During the summer between his junior and senior years of high school he was the representative from St. Stanislaus at Mississippi Boys' State.

### Clothing Care News

Beware of Lamb In Imitation Guise

Beware of a Persian lamb in cotton/acetate clothing, advises the National Institute of Drycleaning. Certain imitation Persian lamb coats, jackets, and trims are giving drycleaners headaches and consumers fits.

In many cases poor adhesive has been used to attach the Persian-type fur to the background fabric. When drycleaned, or when cleaned by the furrier method, the adhesive becomes soft or sticky. Sometimes the imitation Persian completely separates from the fabric backing.

But, adds the Institute, there is no problem with either cleaning method if the imitation Persian lamb curls have been stitched to the backing.

Manufacturers are working to solve this problem. But when shopping it's still wise to separate the curl and look for the stitching or get the store's definite assurance that this Persian lamb can be safely cleaned.

## Dale Russell, Possible Miss Southern Queen

been currently without a date--and she is seeking one--and she is at the Miss Southern Queen contest, when the University of Southern Mississippi's Student Government Association holds that event March 21-

Dale Russell, 20-year-old, Bay St. Louis, has proven a winner, in practical, competitive event she entered.

The daughter of Federal Judge Mr. Dan M. Russell, a 1967 graduate of Bay St. Louis, where she was a member of the National Honor Society.

Among the titles she successfully sought are those of Miss Hospitality, (1967) Hancock County--subsequently became first alternate in the Miss Southern Queen, (1968); Junior Miss, Bay St. Louis, (1968); South Mississippi State Queen, (1968); and Miss Photogenic, Hancock County, (1968).

She was also Queen of Hearts of Hancock County, and a Miss Deep Sea Rodeo Princess.

At many things, she plays piano and organ, dancing, and sewing, making her own clothes. She is a painter and last year won the Tri-State Exhibition.

Miss Walton leads the Book of John at the United Methodist Church, WSCS Night Circle, last Tuesday in the church. Mrs. Dave McDonald, Harris Boudreaux, and Lewis assisted on the program.

Ed. Larreaux offered the program, and Mrs. Robert Larreaux, conducted the session. Plans are for the group to go to the Gulf Coast Administration Feb.

chase Award winner.

A diminutive five-foot, three inches, Dale plans to portray an old-fashioned bathing beauty in the talent phase of the contest. Old-fashioned or not, for a co-ed who has just been named as one of the top 10 Beauties at Southern, this should prove no hardship.

President of the Panhellenic Council at Southern, she is sponsored by Delta Delta Delta sorority, which she serves as education chairman and historian. Active in the Baptist Student Union, Dale has entered into other aspects of campus life with the enthusiasm so typical of her--not the least of these being service on the cheerleading and Pom-Pom squads. Additionally, she has just concluded a successful chairmanship term for the March of Dimes on campus.

A dedicated elementary education major, the coast reports she has "always loved working with children. After graduation I hope to teach either kindergarten, first, or second grade". Lucky kids!

### Miss Grace Yao Presbyterian Dinner Speaker

Miss Grace Yao of Hong Kong, now on the staff of the Chinese Presbyterian Church in New Orleans, was guest speaker at the Bay St. Louis First Presbyterian Church's monthly family dinner last Thursday evening in Fellowship Hall.

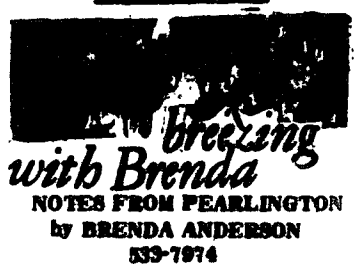

Miss Yao who works extensively with the women and youth of the church, showed slides of her church from its beginning about 12 years ago, to the present.

Ann (Mrs. Joe) Nettles celebrated her birthday on Saturday February 1.

On Friday, February 21, the 4th thru 8th grade students of Charles B. Murphy School will have a Talent Show in the lunchroom of the school. Admission will be 25 cents and the show will begin at 1:30 p.m. All proceeds will go toward the piano.

Glad to hear that Ruthie (Mrs. Red) Davis Jr. is feeling better after her brief illness.

Get well and hurry home wishes go to Loomis Reynolds who is still confined in the Forrest County Hospital with a leg injury.

Notes from Pearlington by Brenda Anderson 535-7974

It looks as if our school will get the much needed paved road and school ground improvements that we've been hoping for. A very community minded citizen, H.G. (Red) Davis, Jr. started the ball rolling on this project and was shortly joined by Charles A. Russ and the other supervisors of Hancock County. Many thanks for the roadway goes to another public minded citizen and former resident Princess Fahsy; who donated the land for this project. I do not know this nice lady personally, but wish to use this means to express the town of Pearlington's many thanks for this kindly act.

On Friday night, February 7 a teen party was given in the Community Center by Gloria Bello and Dottie Turner. Teenagers from Pearlington, Bay St. Louis, Slidell and New Orleans attended and were served refreshments of sandwiches, soft drinks and potato chips. Entertainment was furnished by Tiny Borge, Melbert Spiers and Marion Neil.

James E. Randall represented Diamond Lodge No. 333 of Pearlington at the 151st annual Grand Lodge Conventions in Jackson. Mr. Randall was accompanied by Henry L. Otis. The event was held on February 10, 11 and 12.

The Cake Walk and Cake Spin at the Charles B. Murphy School was termed a success. All proceeds of this event went toward the piano fund as stated earlier. Mrs. Gladys Barber expressed her sincere thanks to the many who contributed their time and also to the ones who baked cakes for this worthwhile project.

The Newspaper drive is also coming along nicely and we will soon have the piano in our school, hopefully in time for the Graduation Exercises. Mr. Kirkland has been kind enough to set aside a room for the storage of the newspapers. Our thanks to the people who have so faithfully saved their papers for us and especially the people of the community who have no children in the school. We would like to invite you to come and visit with us at the next P.T.O. meeting.

## Some People Hate Winter.

## OTHERS HAVE CAREFREE ELECTRIC HEAT.

Today carefree electric heat drives away those wintertime problems. There is no bother, no fuss—and you never need to call a serviceman to "turn the heat on" or "cut the heat off."

Electric heat has many important advantages: cleanliness, convenience, comfort, safety, ease of maintenance, and even temperature throughout the home.

Electric heat fits your present home or a new home—it's flexible. A choice of heating units allows freedom in house design and selection of the correct system for your requirements. And, there is a minimum inconvenience during installation.

### FIVE DIFFERENT ELECTRIC HEATING SYSTEMS CAN GIVE YOUR FAMILY TAILOR-MADE HOME COMFORT.

This versatile machine is the most modern and efficient type of installation for weather conditioning your home. The electric heat pump heats your home in winter and cools it in the summer. You simply set your thermostat then forget it.

Electric baseboard heating is produced by concealed electric elements controlled by individual room thermostats, which gently circulate warm air. This method distributes heat by both radiation and convection to warm all surfaces evenly.

Electric wall panel units use heating elements fused in glass or metal surfaces, or heating coils behind decorative grills. Sunshine warmth is radiated throughout the room. They operate with or without blowers and may be controlled by individual thermostats.

Ceiling cable heat is the truly invisible way to heat your home, since small wires are concealed in the ceiling to radiate a gentle, even warmth. Heat in each room can be controlled by individual thermostats to maintain any desired temperature.

Electric furnaces provide a complete comfort control heating system which may be combined with central air conditioning for year-round use. Temperatures are automatically maintained by thermostat for carefree comfort.

## Hancock Neth Central in Physical Fitness Program

Lincoln North Central University of twelve schools is currently demonstrating what can be done to carry out the goals of the President's Council on Physical Fitness in cooperation with the State Education Departments. The school schedules regular "visitation" hours in the gymnasium for educators, local health department officials, community leaders and others will be invited to the school to see the program in action.

Walter R. Davis, assistant director of physical education for the State Department of Education, who serves as the coordinator for demonstration center schools, frankly admits, however, that he is disappointed at the lack of response to this open invitation. "In these schools," says Davis, "they have gone to a lot of trouble to meet the standard requirements of a demonstration school. Their programs have been thoroughly studied by

them to take a look at the demonstration schools before the current school year comes to a close.

The basic program for a demonstration school calls for five things, and the school can do others as it sees fit. Davis lists the five basic ingredients as follows:

1. Periodic health appraisal for all pupils.
2. Identification of the physically under-developed and measures to eliminate or alleviate their problems.
3. Periodic physical achievement tests to evaluate and motivate pupil progress.
4. Daily period of physical education emphasizing fitness for all pupils.
5. From fifteen minutes of developmental exercises at the beginning of each class period.

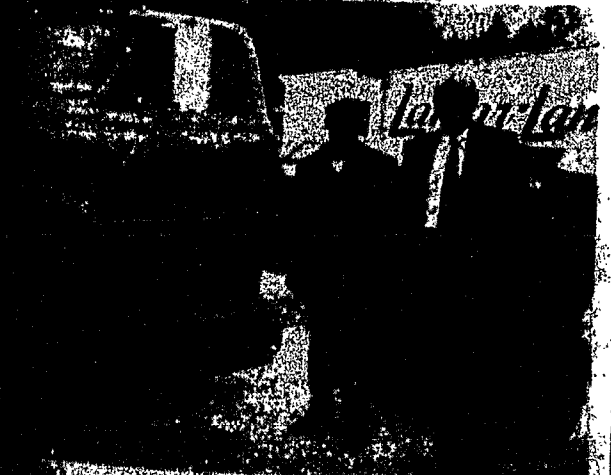

"No school is too small to institute such a program if they meet these basic requirements," says Davis.

## KETCHUM

By L. S. (Doc) Elliott

Now that the excitement of Mardi Gras is over, the young folks are back in school and the old folks are back to fishing and other sports. All hunting seasons ended on February 17th. Better clean and oil the old blunder bus and put it away until next year.

Fishing is improving day by day. The weather is getting warmer and streams most everywhere are clearing which makes for good fishing. As of now bass and perch are beginning to strike. They are being caught on surface plugs and flies. Salt water fishing is getting better right along.

Most sportsmen like the spring and summer months. There is better fishing. Crabs, shrimp and frogs are caught during these months. There is always something to do if one is so inclined. Swimming, boating and fishing will start soon.

Each week we will try to inform fishermen where the camps are located and the best places to find fish.

This week it's Roy Baxter's camp, Pearl River just off Highway 90. The fishing here is always good. Boats and even outboard motors can be rented at nominal cost. A landing boat is available and parking places for boats can be rented with all other necessities, gas, bait, and ice for the asking. Meet Roy and you will be glad you did.

Pearl River proper furnishes excellent fresh water fishing while later on speckles and red fish will be plentiful. All tributaries are wonderful for casting and fly fishing. Fishermen with Mississippi fishing licenses can fish both sides of Pearl River but cannot go into Louisiana waters without a Louisiana non-resident license.

Mississippi licenses can be purchased at Kingston's Barber Shop, Baxter's camp, from the local game warden Pat Toomey or at the Courthouse in Bay St. Louis. Get yours before you go fishing.

Neil Marsh of New Orleans says he is not much of a fisherman but hunting is his favorite sport.

Mrs. Howard Duff and the six little Duffs had a ball over the weekend viewing the Mardi Gras parades in the big city. This was the first time the kids saw a parade.

Gene Junginger and Clifford Carver were telling us that they have been catching some nice speckles via the cast net way, off the Highway bridge. Gene uses a 1/2 lb. net.

## Hancock Turns Back Coahoma

The Hancock North Central Hawks won two of three inter-county high school basketball games from Coahoma County here recently, winning both junior varsity and varsity boys games, but losing to the hosts in girls varsity play, 48-33.

Hancock won the junior varsity game 51-34 and posted a 63-33 decision in the boys varsity affair. Ricky Page scored 14 points to lead the Hawks junior varsity while no Coahoma County player scored in double figures.

Linda Funderburk tossed in 27 points and Betty Ellis scored 13 in support as Coahoma County easily won the girls game. Linda Dedeaux, with 18 points, was high scorer for Hancock.

In the boys varsity game, Hancock grabbed a 10-0 lead at the end of the first quarter and was ahead the rest of the way.

The Hawks of Coach Roland Ladner, in boosting their record 22-7, were ahead 34-21 at the half and 52-38 going into the final quarter.

Eddie Ladner has a hot hand for the Hawks and scored 26 points. Guy Necaise and Clyde Moran contributed 14 and 10 points respectively to the Hawks' attack.

Three players scored in double figures for Coahoma

County. Allen Shannon led the way with 16 points, Bud Lowe had 13, and Donnie Larson contributed 10.

The Hawks will resume action tonight at Drew when they take on undefeated Drew High (29-0).

## Dropped By Drew

Undefeated Drew extended its winning streak to 30 games two weeks ago in its home gymnasium by turning back the Hancock North Central Hawks, 71-56, in a high school varsity basketball engagement.

The loss was the eighth to go with 23 victories for the Hawks of Coach Roland Ladner.

Hancock North Central will resume action this week in the annual District Eight Class A tournament in the Hancock North Central gymnasium.

The Hawks drew an opening round bye in the district tournament and will take on the winner of Wednesday night's battle between d'Bererville and East Central at 8:30 p.m. Thursday.

Hitting on a very low percentage of their shots from the field, the Hawks found themselves trailing Drew 17-13.

The last two victories gave Coach John O'Keefe his most wins for a season at 15. His previous high was 13 wins in 1961-62.

## Birds, Topic At Garden Club

Mrs. Elaine D. Ogden Jr., guest speaker at Bay-Waveland Garden Club meeting Thursday, discussed birds.

Mrs. Ogden noted bird watching can be a most interesting hobby which may be enjoyed from an arm chair or by going on treks. Most males, she added, are prettier than females and some of the finest have the loudest voices. In discussing their ways of feeding and feeding, she cited that even a pine cone hung upside down a tree tied with a bright string and filled with peanut butter makes a good feeder. Their bathing and flying habits were also told.

Mrs. Ogden suggested a Field Guide to the Birds by Roger Peterson as good reading material. Mrs. Clarence Evans, president, presided over

the business session.

It was announced the flower show will be held April 12 and 13 with a "Thing of Beauty is a Joy Forever," as the theme. A workshop is scheduled for March 31 at the Garden Center. The Garden of the Month plaque was awarded to Mrs. Frank Ramsey with Mrs. John J. McDonald. Mrs. Ogden presided at the tea table which held a center arrangement of red carnations flanked by candelabra holding red tapers.

# A LIGHT SHINES *in the* CHURCH WINDOWS

*Your Church Needs You*

*You Need Your Church*

## What's Missing?

**U** (you) **R** (are) . . . if you're not found in church at your every opportunity, giving of your time and talents. What's Missing? You are, if you miss one chance to do something for your fellow man which will lighten his load. For by your help, done in the Name and to the glory of God, are you both blessed. What's Missing? You are, if you fail to support your church with your means . . . for "It is more blessed to give than to receive." (Acts 20:35). What's Missing? A blessing for each of us, if there isn't a dedicated, sincere, and concerted effort on our part to follow His teaching, for "Blessed are they that hear the word of God, and keep it." (Matthew 13:16) Will we see each other in church this week?
